## **FOR IMMEDIATE RELEASE**

### **Port Coquitlam Community Foundation and COBS Bread Community Day**

Port Coquitlam, BC - Port Coquitlam Community Foundation and Cobs Bread Bakery invites everyone to join them on **April 11<sup>th</sup>** as they celebrate the grand opening of the new COBS Bread located at **Oxford Market** in Port Coquitlam.

Community connection is engrained in COBS Bread's values and it is in keeping with those values that COBS Bread Oxford Market has chosen to donate their sales on this "COBS Community Day" to the Port Coquitlam Community Foundation.

"On behalf of the Port Coquitlam Community Foundation we are honoured to be part of Community Day at the new Cobs location in Port Coquitlam. This event will raise valuable dollars that support the various grants that the Foundation makes to charitable organizations doing vital work in POCO. We are very grateful to the new COBS bread franchisees, Harald & Mary-Anne Siegemund", says John Diack, Chairman of the board.

Located at #105 - 2020 Oxford Connector in Port Coquitlam, the free celebrations includes BBQ hotdogs from 11:30 to 1:30pm, a "fun bun" station for the kids and the official ceremony from 2:00 pm. While you're at it, be sure to pick up some fresh COBS Bread products – *baked fresh daily by bakers with passion!*
